

EVERPRESENCE

College & Young Adult Ministry

Our College & Young Adult Ministry group enables our young adults to remind themselves of their continued commitment to God, and His will, by enabling them with a long distance community of fellowship. We know what a crucial time of formation college can be, and how much these years will share the future of the young members of our Church. It can be especially hard for those trying to continue on the spiritual journeys they began with us in junior high or high school. Many times it's hard for teens when they go away to college to maintain their spiritual life, because they often lack the support of the community they were a part of in their high school youth group. In response to that need, we will coordinate a support system for our former High School Youth Group teens who have moved on, and provide opportunities for them to maintain and strengthen the relationships they have built, so they can stay connected to one another, and to their community here at home.

EVERPRESENCE is taken from Psalm 46:1-3: "God is our refuge and our strength, an ever-present help in distress."
