

# ENDOW

Midwest High School Chapter  
Junior & Seniors

---

## **Endow (Educating on the Nature and Dignity of Women)**

seeks to educate women toward a more profound understanding of their God-given dignity through study in small group communities of faith and friendship. Rooted in the teachings of Pope St. John Paul II, Endow affirms the genius of women – the feminine genius – and empowers them to fulfill our culture's desperate need for an authentic feminine presence in every aspect of life and society.
