

High School Youth Ministry

Our High School Youth Group is for teens in 9th-12th grades. The goal of our high school ministry is pretty simple: to lead our teens, who are in some of the most formative years of their faith life, closer to Christ. We want to provide opportunities for our teens so they become full, conscious, and active participants in their Catholic faith.

Our youth nights are a chance for our teens to learn more about their faith, and to come together to dive deeper into the Lord's word in Scripture, and to learn more about what the Church teaches, and how to better live it out in their daily lives.
