

Middle School Youth Ministry

Our Middle School Youth Group is for young people in 6th, 7th & 8th grades. We want to provide an opportunity for our middle school aged youth to encounter the Living God, and to encourage their full, active and conscious participation in the life of the Church. Our goals are to foster personal and spiritual growth and to provide opportunities for our young people to learn more about, and grow deeper in their personal relationship with God, and in their Catholic faith. We want to provide a place of community, fellowship, and prayer for the middle school youth of our Catholic community.

Livin It is based on the scripture of Psalm, which says: "The stone the builders rejected has become the cornerstone." We are always pushing our youth to *encounter* God in everything they do in their lives. The middle school youth are truly essential to our parishes and we feel that it's essential to encourage and foster a strong spirituality during this incredibly formative time in these young peoples lives. These years for many of them will become the "cornerstone" on which they will build their future relationship with Christ, who is meant to be the "Cornerstone" of our lives.

Our young people are truly LIVIN'IT! We hope that we can continue to always provide a place for our young people to grow in their faith, and have lots of fun, all centered around Christ and the Church.
