**New Business:**

Ron got quotes from Buschurs and Wennings for industrial dehumidifier due to new carpet in church coming up and moisture from the basement causing issues. He will get final pricing before voting

Water is coming in the basement when we have heavy rains. Nothing severe. May need to look into the tiles and see if we can find a problem.

Quote from Moeller Door & Window to replace the rest of the windows in the rectory. Ron is going to get numbers from Thobes for how much we pay to heat the rectory, if the savings will off-set the cost of new windows. Will review before voting.
