

St. Rose Parish Council Meeting

Thursday, November 29, 2018

PRESENT AT MEETING: Ben Bruns, Roger Broering, Scott Tobe, Brett Hartings, Greg Wuebker and Connie Prenger

The meeting was opened with prayer.

OLD BUSINESS:

1. The ramp is completed. A temporary railing has been put on the ramp. Carl Bensman is doing the permanent railing and will install it in the spring.
2. Discussed redoing the front steps of the church in the spring. If this is done Carl Bensman will also do the rails for the steps so that it will match the ramp railing.
3. The roof for the parish office has been completed. In the spring Kevin Wuebker will complete work on the porch. New gutters need to be installed yet. Kevin Wuebker will find a someone to get this done.
4. Ceiling in the parish office above the staircase needs to be replastered due to water damage. Calls will be made to find a contractor to take care of this.
5. A new sound system was installed in the church by Stage Right Sound System.

NEW BUSINESS:

1. The countertops in the basement need replaced. Roger Broering is going to contact John Homan and see if he would have time to do this.
2. Doug Holdheide will do snow removal for the church parking lot for \$85.00 an hour, Brett Hartings will remove snow from the side walks for \$30.00 an hour.
3. Church basement – the urinal in the men’s bathroom isn’t working, the two sinks in the kitchen don’t drain properly. It was discussed that these issues could be connected and we may need to replace the pipes to finally solve the problem. Contact will be made with Franck Plumbing to see if they can fix these issues or what we need to do to fix the problems.
4. Problem with water coming in the parish office basement. Bruns Vacuum and Jet Rodder is coming out to clean out some tiles.
5. Contacted Randy Roeckner about servicing the lawnmower in the spring and he has agreed that he will service the lawnmower.
6. A sensor on the light on the east side of the church is out. Roger Broering is contacting Nate Bomholt about fixing this.

7. Water has been coming in the church basement window on the west side. Discussed removing the existing mulch and lowering the grade. Checking into tile problems here also. Going to ask Bruns Vacuum and Jet Rodder about this when they come out.
8. The canvas behind the altar is peeling. Brett Hartings is going to try to find someone to come out and look at it and give an estimate on repairing it.
