Church Maintenance

- Large amounts of paint is peeling in church.
 - Have church fans running constantly to cut down on humidity
 - Ask for Parish Volunteers to help re-paint low/easily accessible areas. These areas include...
 - Sacristy and back hallway
 - NE corner of choir loft
 - How to reach upper west wing? This needs painted too.
- Leaky Window - big window on East Side (by hymnal stand)
 - Call to get quote/fixed
- Monthly Landscaping - Ask parish families to volunteer for a month at a time to take care of weeds/grounds this summer
 - Scott Tobe is going to edge the cement/grass edge
- Parish Clean Up Day - Weds, May 12th @ 6pm
 - Bring shovels, brooms, rakes
- Church bell is cracked in the bell tower
 - MS Weld might be able to fix it (the frame-handle is what is broke)- call and look at it
 - Call Meaks-Watts and Co (a bell company in Ohio) to get their advice on what to do
 - Mary/Roger Evers will call to get info
- New plastic covering for alter tops - Scott Tobe is bringing plastic from his house

Schoolhouse Maintenance - during summer

- Spray paint the interior
- Maybe power wash bricks with a nurse wagon from Roger Broering
- Install light in the back of the schoolhouse (to illuminate the back parking lot)
- Back door is needed for the school house - Dale Schulze is trying to find and install a door

Cemetery Maintenance

- Replace cemetery flag - Scott Tobe

- Name plaques are needed for the 4 memorial trees just planted
 - \$80 for 5 x 7"
 - Wording on Plaques: "In Memory of Delores & Andy Schlarman Family, Margie & Clete Griesdorn Family, Rich & Luella Lochtefeld Family" (2)
 - Name plaques could be ordered from 'Unique Awards' in St. Marys
 - Men's Sodality is paying for the plaques
 - Purchase ones that will be staked into the ground
- Level up cemetery stones - Scott Tobe has an idea to test out
 - Martha and Bob Pohlman from St. John - may have an idea how to fix it
- Re-seed some of the cemetery grass - get quotes for cost
- Cement slab on near parish garage will be removed - Paul Bruns has volunteered to take care of this
 - Paul will also add gravel behind school house in the spring (still need to do)
