

St. John the Baptist Catechetical Team Interest Form

As a parent, you are invited to be a part of your child's catechetical formation by being involved in the St. John CCD program. This is a great way to demonstrate faith in action for your children! If you cannot commit to being a regular weekly catechist, there are many other ways to be involved. We invite you to look over the options below.

Catechist: A catechist is someone who echoes the Catholic Faith to others through word and example. A catechist must prepare and teach a lesson for CCD class using the guidance of the textbook provided. A catechist will also attend an orientation at the beginning of the school year and an enrichment event each January. The Archdiocese of Cincinnati requires all those having contact with children to attend Virtus safe environment training and provide consent for a background check. Catechists must also accept to grow in the faith by taking part in our VOCARE certification program. This is a paid position.

Substitute Catechist: A substitute catechist will prepare and teach a CCD class in the absence of the regular catechist. Every effort will be made to contact a substitute promptly if a regular catechist is unable to teach. A substitute catechist will have the freedom to accept or decline a request at the time it is made. The Archdiocese of Cincinnati requires all those having contact with children to attend Virtus safe environment training and provide consent for a background check. Catechists must also accept to grow in the faith by taking part in our VOCARE certification program.

Classroom Aide: A classroom aide is someone who assists the catechist in the classroom. The Archdiocese of Cincinnati requires all those having contact with children to attend Virtus safe environment training and provide consent for a background check. This is a volunteer position.

Hall Monitors: A hall monitor dismisses students to their classrooms, ensures that all students are in the correct classrooms, picks up catechist weekly packets from each room and helps out in other ways as needed each night. The Archdiocese of Cincinnati requires all those having contact with children to attend Virtus safe environment training and provide consent for a background check. This is a volunteer position.

Parking Lot Monitors: A parking lot monitor assists with guiding our traffic flow at dismissal. The Archdiocese of Cincinnati requires all those having contact with children to attend Virtus safe environment training and provide consent for a background check. This is a volunteer position.
