

## St. John the Baptist Office of Religious Education

Dear Parents,

We are now starting to prepare for the upcoming year of religious education. Please know of our support of your duty to educate your children in the faith. You are your child's best teachers. They learn the most from the witness you give by praying together and by your participation in the Mass and the other sacraments.

To help us with our preparation, here are the forms for the 2020-2021 catechetical year. Please fill out the forms and return them as soon as possible with the CCD tuition.

**Please print or type in black or blue ink on the forms.**

We are in the process of assembling a wonderful group of catechists to assist you in helping your children grow in their relationship with Christ. Through prayer, teaching and activities, the children will be given an opportunity to grow in their faith. Feel free to get to know your child's catechist and even spend time in the classroom if you so desire. We want to help equip you with the tools to help you fulfill your duty of teaching your children about the faith.

I would like to ask that you make it a priority to attend all required meetings, and consider any opportunities that may be provided to deepen your own relationship with God

Thank you for trusting us with helping you form the faith of your child. We are looking forward to a great year of faith formation.

In Christ's Service,

Chris Wibbenmeyer  
Coordinator of Religious Education, St. John the Baptist
