

## Early Childhood Religious Education Kindergarten

Dear Parents,

Registration is now open for our kindergarten religion program which will begin on Wednesday, September 9, 2020. Classes will be held in the Marion Local Elementary School and will run from 7:00-8:00pm. There will be four, five-week sessions. The cost is \$50.00 per kindergarten student.

We hope that your child(ren) will learn an appreciation for themselves and all of the wonderful things God has given us. Please pray that we all may grow closer to God throughout the year. Please feel free to contact your child's catechist if you ever have any questions or concerns.

Blessings,
