

CHRIST OUR LIGHT

FAMILY OF PARISHES

Dear Parents,

We are excited to announce the launch of a new online registration system for all our Religious Education programs at Christ Our Light Family of Parishes.

To make the registration process smoother and more efficient, we will be utilizing Final Forms for online registration. Many of you are already familiar with this platform, as all school families have used Final Forms for school-related registration.

Through this system, you will be able to pay online or submit a paper check at your specific parish office. While this year will require you to input a fair amount of information, rest assured that once registered, all of your family's information will automatically pre-populate in future years, making the registration process quick and easy.

We plan to roll out the online registration system to all Christ Our Light Religious Education families on **May 12, 2025 at 9:00am**. Please check parish websites for the link and your email as the link will also be sent to you through flocknote. Please see the attachment that has step by step instructions in creating your accounts.

Thank you, we are grateful for the opportunity to walk with you and your children on their faith journey.

God bless you all.
