Parish Council Meeting was called to order by President Paul Droesch, who led prayer

Committee Reports:

- **Financial:** Sue read her report
- **Ladies Sodality:** No one present.
- **Men's Sodality:** No one present.
- **CCD:** No one present
- **Maintenance:** Not present

Adam Kremer is staying on maintenance

Old Business:

- After Ray's Refrigeration came to fix the pump to the boiler, it was discussed what the cost would be to replace the whole thing. After speaking with Adam, the boiler is okay, but AC units could be replaced.
- Because Esther Eyink is stepping down as the sacristan, they were looking for "parishioners" to fill the position. Diane Thobe and several women are helping - parishioners are taking positions to divide the tasks.
- The use of the entertaining light in the church was declined by Father so as not to distract from the altar. In order to return, the parish would only receive 40% back and would still need to pay shipping. So, it is better to maybe donate for use elsewhere. The council discussed contacting Connie Brunswick to see if the school would like to use it for drama productions and/or other things. Becky will contact Connie to see if they have an interest.

New Business:

- Internet Plan was discussed - Spectrum or NKTelco. Is a phone necessary (landline). Decided that probably so because of the elevator (for safety reasons)

- Doorstop to the entrance in the basement is off - will need to purchase more.
(Adam will take care of that.)
- In looking at the cleaning list for the basement rental, there is no recycling comment, but there are recycling bins in the garage. It should be mentioned on the list to take out the recycling (plastic and cans).
Mahards takes out the trash on Mondays, but who takes care of the recycling?
Bigger bins are needed for cans/aluminum (55 gallon with wheels)
- Is the light on the northside of the house flickering? Kyle will check it out.
- January/February/March → Masses at 5:00 p.m. on Saturday, 9:00 a.m. and 11:00 a.m on Sunday while St. Johns is being painted.
The difference in bills will be monitored and we will discuss later.
Snow removal - St. Johns will take care of their masses
K.D. just does our snow removal
- New officers will come in at the next meeting - Mark Ronnebaum, Dayna Kramer, Kyle Huelsman, and Angie Homan

Motion to End: Don

Second the Motion : Joann

Paul Droesch led Final Prayer

Next Meeting will be January 15 at 8:00 p.m.
