

PRESENT AT MEETING:

Scott Tobe, Kim Bruns, Mary Evers, and Louie Bruns

OLD BUSINESS:

- Large amounts of paint were peeling in church. THANK YOU to all volunteers who helped out with this!
 - These areas included...
 - Sacristy and connecting hallway
 - NE corner of choir loft
- Door was replaced at the back of the school house

NEW BUSINESS

Church Maintenance

- Leaky Window - big window on East Side (by hymnal stand)
 - Recalking is to be done this summer
- Some marbling details may be repainted in Church
- Church bell is cracked in the bell tower
 - MS Weld might be able to fix it (the frame-handle is what is broke)- call and look at it
 - Call Meaks-Watts and Co (a bell company in Ohio) to get their advice on what to do
- New plastic covering for alter tops?
- Purchase new snow shovel blade for snow removal

Basement Maintenance

- Remove formica from edge of basement countertops - apply new coat of paint
- Installing new stove - building wooden box to fill the gap between stove and counter top
- Patch cracks and water damage along West and East basement walls
 - Ladies Sodality is seeking volunteers to repaint these two walls
- Repaint section of basement stairs
- Looking into safety hazards of basement chair lift - contacting New Visions in Coldwater about this.
- Possibly raising the rental fee for the basement

Schoolhouse Maintenance

- Paint the interior?
- **Seeking volunteers to power wash exterior bricks with a nurse wagon**
- Install light in the back of the schoolhouse (to illuminate the back parking lot)

Cemetery Maintenance

- Name plaques are needed for the 4 memorial trees just planted
- Level up cemetery stones - Scott Tobe is trying out quikcrete to see if solves the problem
 - Martha and Bob Pohlman from St. John - may have an idea how to fix it
- Re-seed some of the cemetery grass - weeds are taking over
- Cut down dead tree by the Western edge of the cemetery wall
- Trim limbs of trees near the cemetery gate
- Remove cement slab near parish garage?
