The St. Sebastian parish council held a meeting on July 31, 2018. Present at the meeting were Jesse Rose, Ryan Schwieterman, Kyle Koesters, Tom Wilker, Greg Hartings, Renee Wilker, Lisa Seitz, Lynn Stucke, Judy Forsthoefel, Ed McClurg, and Sue Roeckner

Ladies Sodality: nothing

Holy Name Society: nothing

Religious Education: Classes to start September 5 with an ice cream social. Total of 59 kids, 25 families. New teachers: Steve Broering grade 12 and Jared Pottkotter grade 9.

Missions: nothing

Cemetery: Cody Kunkler's Eagle Scout Project almost completed at the large center cross. He added stamped concrete walkway, bushes with lava rock, and possibly a bench. Mold cleaned off statue also.

Lava rock will replace mulch around flag pole to help control weeds.

Pastors Report/Parish Office Report: Sue reported current finances and account balances.

Maintenance: North Star Plumbing and Heating and Seitz Electric to complete new Furnace Project this Fall. Currently getting quotes on fuel oil prices and deciding to buy or lease tanks. Tom Wilker started removing many of the old registers. Many parish members have helped him remove these extremely heavy registers from the church. Registers at front altar will stay as they give an appreciation to the church features, and due to removal will ruin carpet, wall etc. They will be spot painted. Terry Thobe was contacted to repair walls and painting in multiple areas of the church including sacristy and basement. Deciding if we should trim damaged areas from register removal in carpet of a darker contrast surrounding the entire church. Will also start removing unnecessary ceiling pipes in basement.

One Faith One Hope One Love check due to arrive July.

Old Business: Windows Creations have started with phase 1 of project on west side of church. Rain has been slowing them down. Phase 2 will start next Spring.

New Business: Parish picnic scheduled for August 19. New parish council members will be voted in October to replace current members Lynn Stucke and Greg Hartings.

Next Meeting: 11-13-18 at 8pm

Close Meeting: Ryan Schwieterman made the motion and Kyle Koesters 2nd it.
